

## Life Sciences Speaker Programs

M&IW *streamlines* your compliance and logistics processes and *elevates* your healthcare professional training experience.

### CUSTOMIZED INCLUSIONS:

-  Synchronous cloud-based data and collaboration
-  Speaker program requests and tracking
-  Speaker nominations and confirmations
-  Integrated calendar and scheduling ability
-  Speaker contract management
-  Central hub for presentations and trainings
-  Automated honoraria, expense submission, and payment tracking
-  Flexible reporting metrics
-  Expert, white glove service every step of the way

Whether you need one inclusion or multiple, M&IW delivers a plan designed for your unique needs. Explore our consultative and collaborative process on the next page.

“Thank you for making our speaker program such a great success! I’ve received nothing except positive feedback from my providers and you made it extremely easy for me to interact with some very key, influential individuals from my territory.”

## TRANSFORM YOUR LIFE SCIENCES SPEAKER PROGRAMS WITH M&IW!

Expect a productivity boost with a streamlined process:

- M&IW manages your full speaker contract management process
- Your centralized, secure portal collects and stores necessary documents and attendee data
- Automated workflow sends all necessary communications to your attendees
- More efficient and compliant reporting due to transparent, real-time data access and tracking abilities

Our consultants collaborate with you to:

- Build your speaker bureau management portal
- Appropriately scale the portal to your needs
- Develop your SOPs and train your team
- Customize your communication templates
